## **General Directives for Individual Performance and Medal Awards**

If the test scores are an average of 2 or more judges, the average score must be considered a single score to be used as a requirement.

If a judge was a member of a judging panel on a submitted average score, that judge's score could be used on a different submitted score on a different test if that judge was adjudicating alone.

Copies of Tests must accompany the Submission Form in order to validate scores. Scans of tests are accepted. To apply for the Rider Performance Award or Medal Awards, the Submission Form and copies of applicable tests will be sent to the ADA Secretary upon completion of the Award requirements. An Awards Committee will be appointed to assist the secretary, if necessary.

Awards will be presented annually at the Alberta Mane Event; if that event is not possible, then presentations will be made at the site of a significant gathering of dressage riders and supporters.
