

NATIONAL DRESSAGE SHOW DATE APPLICATION 2010

Before you apply for a permit for your national dressage show, the date must be approved by the Alberta Dressage Association. The ADA has responsibility for co-ordinating a show schedule within the province that will try to ensure the best opportunity for each show to attract a satisfactory attendance of competitors.

Every effort is made to space dressage shows two weeks apart.

Please apply for your preferred date(s) as early as possible to avoid disappointment in obtaining your venue and judges. You may book your dates years ahead, but you must reconfirm them annually. Shows with traditionally established dates receive priority, but must also reconfirm each year. Show date applications received by November 1 of each year will be given first consideration.

ADA will keep a calendar of show dates as they are confirmed.

You may obtain your date application forms from the ADA website: www.albertadressage.com/EN (downloads) or from
