

Alberta Junior Young Riders Dressage Association 2018 Education Subsidy Program Information

The AJYR executive is pleased to offer an education subsidy program for 2018. The intent of this program is to financially support the dressage education of its members. Following are the criteria that have been set for the subsidy program – if you have any questions please feel free to contact:

The **GUIDELINES to be eligible** for Education Subsidies are as follows:

- 1) For a clinic or lessons to be recognized as subsidized the following criteria needs to be followed:
 - a) The clinic must be a dressage clinic - the primary focus being dressage.
 - b) The lessons must be dressage lessons, and each claim must be for a group of 5 lessons. Invoices including the date of the lessons and total fee will also be accepted.
 - c) The rider must not have applied for subsidy **under any other ADA education program.**
 - d) Each Rider may apply for any combination of clinics and lessons up to a *maximum of three claims.*
 - e) Full signatures (no initials) of the clinic organizer and full name must be clearly completed or invoices may be submitted showing the name and date of the clinic attended if signatures cannot be obtained.
- 2) Subsidies will be applied to the **Rider** (not the horse), only if the rider is an AJYR member in good standing. The intent of the funding is for the education of the rider.
- 3) **The monies payable to the rider will be determined by the AJYR Executive based on the financial health of AJYR during that fiscal year. There are no guarantees of any subsidy monies being awarded.** Based on the popularity of the program, a member may only receive a percentage of the total amount claimed, allowing equal access to the funding for all riders. Cheques (if given) are issued during the annual Alberta Junior Young Rider Annual General Meeting. Any members not at the meeting will receive their cheques by mail.
- 4) Education Subsidy Forms will be accepted no later than **December 1st, 2018.** For your convenience, forms may be emailed to Deb Helland (address above).
- 5) In order to be eligible for any monies, all members claiming subsidies are required to participate in AJYR programs and activities during the year. **Members who apply for subsidy will only be considered eligible by volunteering or by providing financial support for the AJYR Dressage Association. Examples of this may include providing sponsorship to AJYR, Equine Nanny shifts, and assisting with our fundraising event at the June show, which includes volunteering your time or donating a silent auction item.**
- 6) The maximum subsidies will be calculated as follows (combination of any three only)
International Clinician \$150, National Clinician \$100, Lessons \$100 (for each group of 5)
The AJYR is pleased to be able to offer the Educational Subsidy program to its members. Only through the time of dedicated volunteers and through the financial support of its members can we continue to promote the future of dressage in Alberta.
